Limited Warranty

1 Warranty Coverage

Country View Lawn Furniture, LLC ("CVLF") is in the business of manufacturing polyethylene lawn furniture. CVLF warrants to the original end-user that its polyethylene lawn furniture will be free of defects in workmanship and materials for the warranty period.

2 Warranty Period

The warranty period begins on the date of purchase and terminates twenty (20) years thereafter for residential end-users and five (5) years thereafter for commercial end-users.

3 Warranty Claim Process

If an original end-user believes he or she is entitled to warranty coverage, the customer must present a written claim describing the defect to Country View Lawn Furniture, LLC, 619 Quarry Road, Gap, PA 17527. The claim must include (1) a written description of the defect, (2) a receipt showing the date of purchase to determine the warranty period, (3) a statement of whether the furniture is used for residential or commercial purposes, (4) at least one photograph of the furniture showing the defect, and (5) the customer's name, address, and telephone number.

Upon review of a completed warranty claim, CVLF will determine whether the alleged defect is covered by this warranty and contact the customer. If the customer is entitled to warranty coverage, and the product can be fixed, the customer must pay the cost of shipping to and from CVLF, and CVLF will repair and return the product. If the customer is entitled to warranty coverage and the product cannot be fixed, CVLF will ship the customer a replacement product with the customer paying for the cost of shipping. If the product is no longer available, the customer will receive the most-similar product available. All determinations of coverage will be made at CVLF's reasonable discretion and will be final.

4 Limitations of Warranty

This is a limited warranty. Except as required otherwise by applicable law, the customer is provided with no rights other than those specifically stated as limited in this document. CVLF makes no implied warranty or merchantability or implied warranty of fitness for a particular purpose. The warranty does not cover normal wear and tear or damage caused by misuse, abuse, alteration, or non-CVLF repair. The warranty does not cover scratching, chipping, or fading of the product, which may occur during normal use and when exposed to sunlight, chemicals, or other outside substances. Although stainless steel hardware is used in substantially all parts of the furniture to minimize the potential of failures and rusting, even stainless steel may rust in certain environments: therefore this warranty does not cover the rusting of any hardware or failure of any hardware due to rusting.

PRODUCT Care

Dealers,

I am sure you know how a harsh environment, such as salt air, high humidity, etc. affects outdoor furniture. Furniture that is placed in these environments requires more thorough cleaning. While we use top grade HDPE, some parts remain difficult to clean. When you encounter this with one of your customers, we ask that you make them aware of the extra cleaning that is needed.

We recommend the product "30 Second Cleaner" that may be purchased at The Home Depot or Lowe's. A higher concentrate of the cleaner may be necessary for the furniture to come clean. We recommend mixing the product with water in a spray bottle, then spray the furniture. It works best if allowed to remain on the surface for a while. Also, more than one cleaning may be necessary.

Country View Lawn Furniture does not warranty furniture that has not been cleaned properly. Please share these cleaning instructions with your customers. Thank you for your cooperation and for your continued business!
